

Steps to think about **THEME**

First: Name the Problems in the Story.

Next: Put the Problem in a word or phrase.

Finally: Reflect - what is the story saying about the problem?

A problem in the Hunger Games is that Katniss doesn't know who to choose - Gale or Peeta.

Love.
Hurting People.
Choice.

The Hunger Games shows us that love is sometimes not enough, and yet it is all we want.
