

■ Share Assessment

Did you end your share with some uncertainty as a way to keep the conversation going? If you didn't, is there a way you could revise your share to add uncertainty?

Did you end your share with some sort of planning or goal setting? If you didn't, is there a way you could add planning or goal setting?

Did the share provide kids with options? If it didn't, is there a way you could revise it so kids would have more options?
